Recycling / Waste Bins

The Committee discussed the purchase and placement of two waste/recycling bins along the Invicta Trail. One bin will be located at the beginning of the trail, near the parking lot and bridge area at the end of Invicta Street. The second bin will be located at the opposite end of the trail, near the bench and rest area by Hanlan Street.

J. Olson/D. Sinclair

THAT the Local Urban District of Warren Committee authorize the purchase of two (2) cost-shared “Designer Series Dual-Stream Bin” models from Recycle Everywhere, at an approximate cost to the partner of \$925.00 per bin, plus applicable shipping and taxes.

All-Terrain Vehicle By-law and Signage

The Committee discussed having the Invicta Trail snow cleared and kept open for public use during the winter months. To discourage All-Terrain Vehicles (ATVs) from using the trail year-round, the Committee requested that signage be installed now indicating that ATVs are not permitted on the trail.

As the proposed by-law has not yet been passed, the signage would not reference a by-law number at this time. The Committee would like the signs to simply indicate that ATVs are not permitted. Once the by-law is passed, the applicable by-law number could be added to the signage.

The Committee requested that the proposed by-law be brought forward to Council as soon as possible, with the goal of having the by-law approved in October. It was advised that proceeding at this time would bring the matter into the election period and that consideration after the election may be preferable. The Committee indicated that it would still like the proposed by-law to proceed as soon as possible rather than being deferred until after the election. Administration will bring the Committee's request forward for consideration.

C. Martin/D. Sinclair

THAT the Local Urban District of Warren Committee authorize the purchase of two (2) signs for the Invicta Trail indicating that All-Terrain Vehicles are not permitted on the trail year-round;

AND FURTHER THAT, once the All-Terrain Vehicle By-law is approved, the applicable By-law number be added to the signs.
