DO I NEED A PERMIT

Permits are required for the following:

- Single, two and multi-family dwellings
- Secondary suites
- Additions of any size
- Decks attached to a dwelling or an existing attached deck
- Detached decks
- Pools and Hot tubs

- Detached accessory structures 108 ft² or larger in size. This includes fabric shelters.
- Attached/detached garages and/or carports
- Structural alterations / renovations
- Demolition or re-location of any structure

Permits are not required for the following:

- Painting, stucco, siding, shingles where the same material is used
- Replacement of doors or windows where the size of the openings is not altered
- Replacement of open landing and stairs
- Installation of cabinets and shelves
- Detached accessory structures that are less than 108 ft² in size. Must still meet applicable setback rules in zoning by-laws for respective areas.
